WORK EXPERIENCE

Lead Product Designer

Learvo (Equity / EdTech SaaS Startup)

Remote

October 2025 - Present

- **Architected onboarding flows** and user identity experiences for a 0→1 platform, translating complex product logic into responsive Figma prototypes.
- **Engineered design systems** across mobile and web surfaces, establishing tokenized UI components and specs to ensure seamless developer handoff.
- **Designed growth experiments** using product analytics, user feedback, and AI tools (Claude, Figma AI) to iterate on cross-channel user touchpoints.

Director of PR and Marketing

Student-Run Basement Gallery (Volunteer Staff Engagement)

University of California, Davis, CA

June 2024- June 2025

- **Orchestrated cross-channel campaigns** across 10 art exhibitions, maintaining cohesive visual hierarchy across web, print, and digital touchpoints.
- **Crafted micro-animations** in After Effects alongside assets in Photoshop and Illustrator, reformatting displays for multi-device resolutions.
- **Standardized asset archives** and component structures to eliminate file redundancy and streamline cross-functional team collaboration.

PROJECT EXPERIENCE

Continuum | UI/UX & Digital Designer (Freelance)

Jan 2025

- **Prototyped web layouts** and navigation patterns in Figma, prioritizing intuitive user journeys, accessibility (WCAG), and visual clarity.
- **Audited interaction patterns** while scaling reusable components across mobile and desktop screen resolutions to optimize user experience.

Good Friends | Lead Product Designer & Marketing Strategist (Freelance)

Jan 2025

- **Mapped user journeys** and high-fidelity prototypes for a consumer product launch, balancing end-to-end user needs with growth goals.
- **Delivered UI assets** across multi-surface promotional channels and standardized specs to ensure visual consistency across mobile and desktop.
